

# John Phee

*Senior Vice President and Chief Information Officer*

As Senior Vice President and Chief Information Officer of 7-Eleven, John Phee oversees 7-Eleven technology strategy and leads 7-Eleven's product engineering, data engineering, infrastructure and operations, information technology and R&D teams. His IT teams in Ohio, Dallas, Canada, and Bangalore, India are dedicated to continuing 7-Eleven's legacy of innovation with industry-leading digital and technology solutions. Keeping the customer at the forefront, John is redefining how technologies such as artificial intelligence, Internet of Things, and more will improve the customer experience.
